Venturing Leadership Beyond the Crew

This document contains the prescribed organizational schemes for the administration of a Venturing leadership structure for the National Council of the Boy Scouts of America at the national, region, and area tiers. It also provides recommended models for local councils to adopt. This document provides a minimal set of practices; leadership at all tiers may expand upon this standard operating procedure by creating more specific guidelines.

Leadership for Venturing at the national tier of the Boy Scouts of America consists of a National Venturing Officers' Association, composed of the National Venturing President, National Venturing Vice President, and region Venturing presidents, supported by the National Venturing Advisor, National Staff Advisor, and region Venturing advisors and staff advisors. The National Venturing Officers' Association reports to the National Venturing Committee.

Leadership for Venturing at the region and area tiers shall consist of a Venturing Officers' Association (VOA) composed of required and optional youth and adult positions described within this document. Each VOA shall report to the Venturing committee at its tier.

This document contains:

- Methods to select youth officers and appoint adult advisors to VOAs
- A timetable for the selection and appointment of officers and advisors
- Position descriptions
- Model organizational charts for a standard VOA
- A short glossary for reference and clarification of terms

Please reference the *VOA Administration Guide* (BSA No. 512-131) to guide Venturing governance at the council and district level.

Youth Officer Selections

Applications for youth officer positions are available at venturing.org, and all applicants will require the prior approval of their crew advisor and local Scout executive.

The term of office for all national, region, and area youth officers will be June 1 to May 31 each year.

Region presidents and the National Venturing President shall have a single term limit.

All applicants for every youth office must be under age 21 throughout the duration of the term for any office held.

If an applicant is not selected for a position, the application must be passed down to the next tier if the candidate so requests. Each youth not selected for an office should be offered the opportunity to be considered for the next tier down. If the candidate accepts the opportunity, the application should be promptly transferred to the selection panel of that office for consideration.

If no applicant for an office exists at the time of selection, the advisor and staff advisor for that office may extend the current officer's term unless they do not meet the age requirements.

All youth officer positions shall have an adult advisor to provide support to the youth throughout their term. A Venturer may hold only one area, region, or national president or vice president position at a time during their term. It is recommended that a Venturer serve in no more than one crew, district, or council position while holding an area, region, or national position.

Selection Process: National Venturing President

The National Venturing President is to be selected by **March 31**.

Current and past national Venturing vice presidents, region Venturing presidents, region Venturing vice presidents, and area Venturing presidents will be eligible to submit an application.

If selected, the applicant must attend the National Venturing Officers' Association orientation, which will be held over the first weekend in June (typically Thursday-Sunday), unless otherwise stated on venturing.org.

1. Eligible applicants may submit an application by **the last day of February**.
2. The Key 3 of each tier may choose to eliminate candidates for the presidency if they deem that the pool of candidates is too large to effectively conduct the selection process. The Key 3 shall select a process to determine who the most qualified and competitive candidates are based upon the job description within this SOP and present those candidates to the complete selection panel. If practical, each eliminated candidate should receive a personal interview, but this is not required. The preferred pool size is three to four, but the Key 3 may choose to present a different size pool.
3. The National Venturing President shall serve as unbiased chair. The chair is only to vote in a tie-breaking situation, if necessary.
4. The National Venturing Advisor and Staff Advisor, the National Venturing President, the National Venturing Vice President, and any region Venturing presidents or vice presidents who are not candidates will form a panel to interview and select a new National Venturing President from among the qualified applicants.
5. If any of these individuals are running for president or for any reason are unable to participate in the selection process, the volunteer advisor of the appropriate region will appoint a replacement. The National VP does not require a replacement.
6. The interview process will occur via video or phone conference.
7. A $\frac{2}{3}$ majority vote is required for a candidate to be selected. If a $\frac{2}{3}$ majority cannot be met after 3 rounds of voting between two candidates, a simple majority requirement will take into effect. It is recommended that voting is completed in the form of a secret ballot.
8. The interview process may be determined by the National VOA leadership and may include remote conferencing.

9. The new National Venturing President-Elect will be notified and announced immediately.

Selection Process: Region VOA President

5. If any of these individuals are running for president or for any reason are unable to participate in the selection process, the volunteer advisor of the appropriate area will appoint a replacement. Region VPs do not require a replacement.

6. The National Venturing President, or their designee, shall be an observer on the region selection calls to ensure that all procedures in the SOPs are met.

8. The interview process will occur via video or phone conference.
9. A $\frac{2}{3}$ vote is required for a candidate to be selected. If a $\frac{2}{3}$ majority cannot be met after 3 rounds of voting between two candidates, a simple majority requirement will take into effect. It is recommended that voting is completed in the form of a secret ballot.
10. After the final vote and the president has been selected, the chair must ask the region advisor and National Venturing President (or their designee on the call) to verbally agree that the selection is legitimate in order to conclude the selection.
11. The new region Venturing president-elect will be notified and announced immediately.

If practical, each eliminated candidate should receive a personal interview, but this is not required. The preferred pool size is three to four, but the Key 3 may choose to present a different size pool.

3. The area Venturing president (or the advisor's youth designee) shall serve as unbiased chair. The chair is only to vote in a tie-breaking situation, if necessary.

Any registered Venturer is eligible to submit an application.

Each area and region shall have, at a minimum, a vice president of administration, vice president of program, and vice president of communication. At the national level, there shall only be one vice president.

1. Eligible applicants will submit an application by the date of the president's announcement at the tier for which they are applying.
2. The president-elect will review all the applications and then, with help from his/her advisor, select a pool of candidates.
3. The president-elect can determine his or her own selection process.
4. The advisor must approve of each vice president selection, and the president-elect must not promise any position prior to talking with their advisor and getting their agreement.
5. It is recommended that the appropriate associate advisor be involved in the selection process in an advisory capacity.

Subsidiary Position Appointments

All subsidiary youth positions to support the Venturing standard organization structure at every tier will be appointed by the Venturing youth president at that tier with the approval of that president's advisors and the applicant's crew advisor and council Scout executive. Subsidiary youth positions serve at the appointer's pleasure. Adults are appointed by the advisor and with the approval of the appropriate professional advisor and the Scout executive of the person's council.

Example: region structure

The region Venturing president appoints the region VOA vice president of communication, vice president of program, and vice president of administration.

Each region Venturing vice president will identify individual candidates to fill the functions under their leadership, such as a webmaster, recording secretary, or activity chair.

The region Venturing advisor acquires related approvals from the individual candidate's home crew advisor and council Scout executive prior to a candidate being considered official. All of this should be done without talking to the candidate so that there will not be any hurt feelings if the person is denied.

The region Venturing president appoints youth to serve in any subsidiary position on the region VOA.

Advisor and Staff Advisor Appointments

The Venturing advisor shall be appointed by the top officer at each tier (e.g., region president, district chair) with the approval of the candidate's council Scout executive and serve at the appointer's pleasure. Regional and national Venturing advisor positions may involve a nominating committee per region and national policies.

The Venturing staff advisor shall be appointed by the Scout executive at each tier (e.g., area director, council Scout executive) and serve at the appointer's pleasure.

Associate and other subsidiary Venturing advisors shall be appointed by the top Venturing advisor at that tier, be approved by the Venturing staff advisor at that tier and the candidate's local council Scout executive, and serve at the appointer's pleasure.

Removal from Office

On rare occasions, it may be necessary to remove a VOA member from a position.

Any youth or adult may resign from office.

Any appointed youth or adult may be removed from office at any time by the appointer.

Due to the short time frame of the Venturing youth officer's term, if the officer has not been significantly completing duties or has exhibited behavior inconsistent with the Scout Oath and Scout Law, the officer may be removed from office by agreement of the Venturing advisor and staff advisor.

The removal and replacement of Venturing presidents should be undertaken rarely and only for just cause. Advisors should consult with their own leadership and the president's leadership prior to taking this action. Any member of the VOA may request the removal process of the president to take place; however, only the VOA advisor and VOA staff advisor have the authority to conduct the removal process. A probation period may be implemented, if deemed appropriate by the advisor.

Venturing presidential vacancies shall be filled through appointment by the Venturing advisor and staff advisors, with the consent of their leadership (the person to whom each of them reports), for the remainder of the term of office. Other VOA vacancies shall be appointed by the current Venturing president with approval by the advisor.

Council Scout executives should be notified if any member of their council is removed from office.

Ad hoc: Ad hoc groups and positions are formed for the purpose of completing a specific task, and the group or position dissolves at the conclusion of the task. An ad hoc position might exist for a very short time, or for a period that overlaps multiple terms of office. When a new Venturing president assumes office, they may confirm or replace ad hoc leaders.

Adult Advisor: Each youth position has a corresponding adult advisor to support that youth in fulfilling the required tasks.

Delegation of authority: The authority to appoint youth and adult positions lies with the officials designated within this document. However, that official may delegate the authority to appoint to a subsidiary. For example, a region president (note: not the region Venturing president) may ask the region program committee chair to appoint the region Venturing advisor.

District: Local councils of sufficient size are divided into geographical (or occasionally special-purpose administrative) territories. Frequently Venturing membership within a district may not constitute an appropriate number of participants to fulfill the functions of a VOA. Councils are free to substitute with “sector” or “service area” as desired.

Key 3: The Venturing president, advisor, and staff advisor form a tier.

Liaison: A youth officer who represents a special-interest group of significance to Venturing within the territory that the VOA serves. Liaisons should be drawn from existing organizations whenever possible (e.g., Sea Scout boatswains, council relationships committees, Girl Scouts of the USA, etc.), but are appointed to the VOA by the VOA leadership.

National Venturing Officers’ Association: The National Venturing Officers’ Association consists of the National Venturing President, National Venturing Vice President, and the four region Venturing presidents and their supporting advisors.

President, chair: Occasionally, this document refers to offices that are not Venturing offices, such as the president of a region or chair of a district. Venturing officers are always youth members and generally bear the word “Venturing” in their title in this

document (except in the position profiles section, when all offices refer to Venturing positions unless otherwise stated); other officers mentioned herein are always adults.

Representation: Leaders may designate a person to represent them in functions. For example, a council Venturing president may ask a subsidiary to represent the council to the area VOA or help select the area Venturing president.

Subsidiary positions: Supporting positions within the VOA's organizational structure may be appointed by the respective youth Venturing president as needed for the specific group they are serving. Subsidiary positions can be standing (permanent) positions.

Tiers: The tiers used in this document are, in order: national, region, area, council, district, and crew. "Above" refers to tiers that appear earlier in this list, "below" to tiers that appear later.

Venturer: A registered youth member of a Venturing crew. The word "Venturer" should be used only as a noun referring to a youth member. Use "Venturing" when a modifier is needed. The forms: "One Venturer built a kayak." "One member of the Venturing crew built a kayak." Venturing is different from the Boy Scout Venture program.

Venturing: The young adult program of the Boy Scouts of America for young men and women age 14 (or 13 and have completed the 8th grade) through 20. Venturing is both a noun and a modifier. The forms: "Venturing is a program for young adults." "Young women and men take part in Venturing activities." "Good Venturing advisors are crucial to successful Venturing crews." Venturing is different from the Boy Scout Venture program.

Venturing Officers' Association (VOA): A group of youth officers on a district, council, area, or region tier that promotes membership, resource sharing, and events for Venturing in their territory.
