The Greater St. Louis Area Council recognizes some of our many youth in the Council with the Venturing Leadership Award. We present this award to a select number of highly deserving people each year. Beginning in 2012, the Greater Saint Louis Area Council began recognizing adults with the Venturing Servant Leader Award.

To receive the Venturing Leadership Award or the Venturing Servant Leader Award the nominee must have been involved in Venturing for more than one year and have provided exceptional leadership at either the Crew, District, or Council Level.
