Reserve your Spot NOW for the Area 3 Venturing Conference

January 30, 2010 in Normal, IL

The Area 3 Venturing Conference will be one of the first Area level Venturing conferences held in the nation. It is designed to provide your council the building blocks for the success of your Council's Venturing Program. This one-day conference is designed to help you get Venturing "Out of the Box, and Over the Top" in your council. Whether you are just starting to build a Council Venturing structure, you are already on the path to success, or you just want to learn more information about how other councils have succeeded, then this conference is for you.

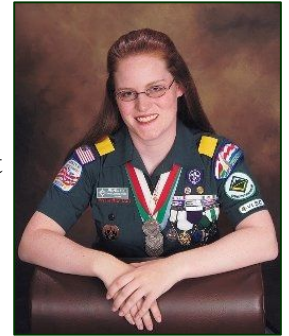

This conference is for the 12 councils in Area 3 of the Central Region. It will be held on January 30, 2010. Just in time for the 100th Anniversary of Scouting. Let's make that year all the more memorable for the youth in your council's Venturing Program by giving them the opportunity to grow in leadership skills, and have a great time doing it.

The conference will be starting with the basics of Venturing, and moving through the steps councils in our Area and across the country have taken to reach success. Here are just some of the things the conference will be covering:

- Recruitment (how to find the right youth to lead your council's Venturing Officer Association)
- Venturing Officer Association Job Descriptions and Bylaws
- How to hold successful multi-crew events
- VOA elections

- VLSC/Kodiak/Kodiak X – It is all about developing leaders!
- National Youth Leadership Society
- Powder Horn – Why it will grow Venturing
- Venturing Awards and Recognition
- How to make Venturing communications in your council work
- A mock Venturing roundtable and much more

The cost for all of this knowledge is just \$15 if you reserve your seat by January 1st, 2010. The conference will be held at Calvary United Methodist Church in Normal, Illinois. The church is located right off I-55 and is within 3.5 hours or less of each of our council's offices. Check-in starts at 7:45am and we expect to be finished by 4:30pm. This is one day you

Amanda Vogt, Area 3 Venturing Conference Co-

Sarah Ward, Area 3 Venturing Conference Co-

don't want to miss. Our Area 3 Venturing President, Sarah Ward, and the 2008-09 National Venturing President, Amanda Vogt will be spearheading the conference's staff. Ben Hayes, the current Central Region Venturing President, will be in attendance along with your Area 3 Venturing Committee to help lead the conference. A

conference flyer is attached to this Area 3 Venturing Update along with the registration form. **Register now to reserve your spot.**

Council Standards of Venturing Excellence

Is your Council's Venturing Program at the top of its game? Is your Council meeting the "Standards of Venturing Excellence"? Introduced in 2007, the Council Standards of

Venturing Excellence Award is designed to give a council the roadmap to follow in developing an excellent Venturing program for our youth. In 2008, 11 councils were recognized for their outstanding Venturing programs. The two councils from Area 3 that were recognized in 2008 were Hawkeye Area Council (Cedar Rapids, IA) and the Greater St. Louis Area Council (St. Louis, MO).

Did your Council qualify? Did it submit the application? Will it qualify for the 2009 CSVE Award? Attached to this Venturing Update is a copy of the 2009 application for the CSVE Award. Take time now to review this 1 page application (it is attached to this email) and set into motion the steps for your Council to be recognized for Venturing excellence.

When all of the requirements are completed, a council will be eligible to earn the award. The Council Standards of Venturing Excellence Award is determined based on successfully achieving the 2009 criteria by December 31, 2009.

The Council and VOA leadership completes the form. It is completed shortly after the end of the calendar year for which you are submitting for the award (example, for 2009, you should complete and mail the form no later than February 15, 2010).

Recognition items will include a plaque, recognition in the Central Region newsletter, listing in the Central Region luncheon program at the Annual BSA Meeting in Dallas, and listing on www.crventuring.org

To apply for the award, fill in the council information at the top of the form, mark the requirements that have been completed, and get the requested signatures. Mail or fax the completed form to the Central Region Venturing office. The form can be found at:
<http://www.crventuring.org/document2.php?s=1&id=307>

Central Region Venturing Newsletter

Attached to this emailed Venturing Update is the September issue of the Central Region Venturing Newsletter designed and written by Ben Hayes, the Central Region Venturing President. We need your help in sending the

newsletters out across our Area 3. Please forward them to all of your Venturing contacts (youth & adult) and professionals that work with Venturing. Increasing our communications amongst Venturers can only help to increase our membership.

Facebook – Area 3 Facebook Groups

Area 3 Venturing Facebook Group has grown to become the largest Area level Venturing Facebook

Group in the Nation! In fact we are larger than two of the Regional Facebook Groups and soon we will pass a 3rd Regional Group. How did we do it? Simply by a number of our members inviting their Facebook friends to join the group. The purpose of the Area 3 Venturing Facebook Group is to promote Venturing. A member does not have to be in Venturing to be part of the group because maybe the non-Venturer will see the fun, adventure, leadership, etc. opportunities and decide to be part of Venturing.

Did you know that your council has a Venturing Facebook Group? Many of our councils have developed their own Facebook Groups. Those that have not have had one established by the Central Region Venturing Communication Committee. They will be serving as the group administrator until a local youth or adult steps forwards to administer the group. The following are the links to each of our council's Venturing Facebook Groups:

Why Facebook? Simply, because that is where you will find much of the youth that we serve in Venturing. To ignore their internet social network is to lose a most valuable communication tool.

National Youth Leadership Society

The Value of Leadership

The heart and soul of what we do in the Boy Scouts of America is to produce leaders for tomorrow. One of our strengths is shaping leaders who have a strong foundation of values and who know how to serve others, and we have had 100 years of practice. Now, as we begin to celebrate that rich century of leadership development, we introduce the National Youth Leadership Society.

Its purpose is to recognize youth members of the BSA who have learned and practiced outstanding leadership skills—the elite of our program. We want these youths, who have worked so hard at learning and leading, to enjoy a form of recognition that other organizations, such as schools, colleges, employers, and the military, can understand and value. Youths inducted into this National Youth Leadership Society may now receive the recognition they deserve in a more tangible way.

As a national honor society, the National Youth Leadership Society calls upon local councils to nominate those individuals who meet certain criteria.

Upon acceptance, the National Court of Honor will offer the individual the honor of membership into the Society. The council will be sent the appropriate honors and will perform a formal induction.

The National Court of Honor will maintain a national honor roll of inducted Society members as a class each calendar year. Individuals will be able to say they are a member of a particular class, for instance, the class of 2010 for members inducted in 2010. The class is based on when the individual was approved, not when the induction took place.

An application is attached to this Area 3 Venturing Update and can also be found at: <http://www.crventuring.org/Home/Fulltext/s=1&id=234>.

Area 3's Kodiak X

A great group of Venturers and Venturing Adult Leaders completed Kodiak X on the weekend of September 25-26. Hosted by the New Horizon District of the Greater St. Louis Area Council the 2-day advanced leadership course drew 27 participants from Wisconsin, Ohio and Missouri. An experienced staff of 8 led the course (5 are members of the Area 3 Venturing Committee). There are plans already in the works for another Kodiak X to be held next fall. So plan your Kodiak course for 2010 and then come to Kodiak X.

Does your council have Venturers that are outstanding leaders? Do you have adult leaders that go above and beyond? Have you recognized them with the Venturing Leadership Award? If you don't take the time to complete the application, then who will?

What is Powder Horn?

Powder Horn is a training opportunity designed to expose the Venturing or Boy Scout leader to activities and resources necessary to operate a successful Venturing Ranger Award or Troop High Adventure program. It does this in several ways. First it helps Venturing Leaders and Scouters to safely conduct outdoor activities of a fun and challenging nature. It provides an introduction to the resources necessary to successfully lead Venturers and older Boy Scouts through a program of high adventure. And it familiarizes the Advisor with the Ranger program so that he or she can help the Venturer to meet the requirements of the Ranger Award. This course is based on the Venturing Ranger requirements giving participants an exposure to outdoor/high adventure activities. Scout leaders will also benefit from this course when your unit participates in unit high adventure.

Venturing FORUM

Many of the articles about events and activities from our Area 3 Venturing Update are picked up and re-published by the Venturing FORUM. Just what is the Venturing FORUM? Glad you asked. The following is from their newsletter:

The Venturing FORUM is a cluster concept and a friendly way to help Venturing and Scouting Leaders exchange ideas and programs among our troops, crews, areas, councils, and regions. Our Cluster includes many councils and Crews in the Northeast, Central, Southern and Western regions that support venturing, exchange of ideas, Best Practices and activities for the Venturing Program. The Cluster newsletter "**Venturing Forum**" is not an official publication of any Council, Area, Region or National. It is the Venturing Leaders newsletter.

We are starting our 6th year of publications. Thank you for your input and articles in this effort to better support the Venturing program. If you would like to be added to the monthly email list, let Bob "the BEAR" Monto know at rmonto@aol.com. We need the Scouter or Venturing leader to email us with their name, Council, Area and Region so we can group the emails by sub groups.

As always, Venturing articles, questions, and comments are welcome. We are seeking support from anyone interested in working on the newsletter or future website.
