Central Region Area 3 Venturing Conference

What happens when 70+ Venturers and adult leaders get together from across Area 3 and beyond? Well, we share our successes. We share our experiences. We grow in our knowledge of Venturing so that we can grow Venturing back in our units, districts, and councils.

January 15, 2011 we saw that happening in Normal, IL. This day witnessed excitement about Venturing. We heard the success stories about units that are actively growing. We heard about districts that have 40 or more in monthly attendance at district Venturing Officer Associations. We heard about youth in a council VOA that took an existing multi-crew event and turned it into the National Venturing Event.

Thank you to Dustin Readenour, Area 3 Venturing President, Amanda Vogt, Past National Venturing President and the rest of the Area 3 Venturing Officer Association that planned and lead the conference. Special thanks to Dan Carriveau, Central Region Venturing President for his presentation and support.

Area 3 Venturing V.O.A.
Supporting Our Central
Region Venturing President

Also thank you to all of the adults on the Area 3 Venturing Committee and support staff for backing our youth officers throughout the 6 months of planning and during the conference.

Plans are already in the works for the 3rd Annual Area 3 Venturing Conference. We hope to see you there!

Dan Carriveau Selected as 2011-12 National Venturing President

Central Region is pleased to announce that Daniel A. Carriveau has been selected as the 2011-2012 National Venturing President. Dan is from Bay-Lakes Council and lives in Little Chute, Wisconsin. His term of office will begin June 1, 2011.

Dan began in the Scouting program as a Tiger Cub and progressed through the ranks of Cub Scouts and into Boy Scouts, only later to become an Eagle Scout. His Scouting experiences have included camp staff for 4 years, OA Lodge Chief, and NYLT staff. Then, Dan discovered Venturing! Since then, he has earned the Arts & Hobbies and Outdoors Venturing Bronze Awards, as well as the Venturing Silver Award. Dan will complete the requirements for the Venturing Ranger Award prior to the start of his term as National President.

Currently the Central Region Venturing President, Dan has been involved in Venturing for five years. His previous service includes Area 1 Venturing President and three years as president for Crew 9001.

A freshman at Lakeland College, Dan is majoring in Resort Management and Accounting. Upon graduation, he hopes to work in the hospitality field and later own his own hotel and convention center.

Without a doubt, Dan will do a great job with his strong work ethic and dedication to Venturing. He looks forward to supporting each region and area in their effort to strengthen the Venturing program at the council level. He will spend the next few months working closely with current National Venturing President Jennifer Lowe to ensure a successful transition.

Central Region Venturing Newsletter

Attached to this emailed Venturing Update are the January & February 2011 issues of the Central Region Venturing Newsletter designed and written by Dan Carriveau, the Central Region Venturing President and Blaine Lott, the CR VP of Communications. We need your help in sending the newsletter out across our Area 3. Please forward them to all of your Venturing contacts (youth & adult) and professionals that work with Venturing. Increasing our communications amongst Venturers can only help to increase our membership.

Peter Schmidt Selected as the 2011-12 Central Region Flotilla Boatswain

Our own Task Force Area 3 Boatswain, Peter Schmidt, has been selected as the next Central Region Flotilla Boatswain.

Venturing Leadership Awards

Red = National VLA
Green = Regional/Area VLA
Blue = Council VLA

For both Youth & Adults.

Does your council have Venturers that are outstanding leaders? Do you have adult leaders that go above and beyond? Have you recognized them with the Venturing Leadership Award? If you don't take the time to complete the application, then who will?

What is Powder Horn?

Powder Horn is a training opportunity designed to expose the Venturing or Boy Scout leader to activities and resources necessary to operate a successful Venturing Ranger Award or Troop High Adventure program. It does this in several ways. First it helps Venturing Leaders and Scouters to safely conduct outdoor activities of a fun and challenging nature. It provides an introduction to the resources necessary to successfully lead Venturers and older Boy Scouts through a program of high adventure. And it familiarizes the Advisor with the Ranger program so that he or she can help the Venturer to meet the requirements of the Ranger Award. This course is based on the Venturing Ranger requirements giving participants an exposure to outdoor/high adventure activities. Scout leaders will also benefit from this course when your unit participates in unit high adventure.

Swift Base – A Venturing and Sea Scouting Paradise

Swift Base first opened the summer of 1966 at S bar F Scout Ranch about 90 miles south of St. Louis. From the beginning, it was designed to be a totally different experience for high-school and college-age members. It is one of only two bases of its type in our country and we are lucky to have it here in Area 3.

S bar F Scout Ranch is 5,200 acres of woods, trails, streams, Nims Lake and fun. The 270-acre Nims Lake serves as the focal point for water skiing, sailing, fishing, canoeing, swimming, water tubing, sun bathing, kayaking and water sliding. A herd of horses will allow you to saddle-up and explore the

wilderness trails. If heights and challenges are your thing, Swift offers rock climbing, rappelling and a high and low ropes course. Mountain bikes are available every day for rides that see no pavement. You may want to try your hand at firing a .22 rifle or bow and arrow. At Swift, you choose what you want to do.

Evening programs include campfires and dances, volleyball and crazy competitions. We plan for an outdoor movie night, drive-in style. A game night or bonfire may be in the offing. If your crew wants to take an overnight canoe float down the lake, that can be arranged. Some crews like to hike to Castle Rock to check out the stars.

All meals are served in Swift Lodge -- dining-hall style. You camp on a campsite with your crew and your leaders. Tents are set up for you on wooden frames. Each of our five campsites are scattered in the woods, so that you have shade and some privacy.

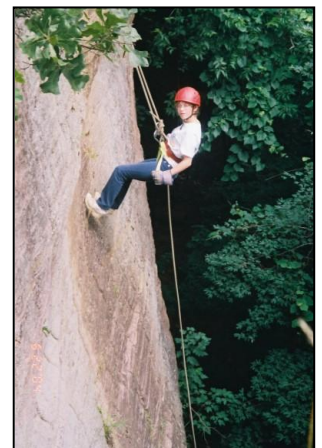

Exciting changes are coming your way for Swift in 2011! In addition to our standard Swift program of climbing, rappelling, horses, skiing, tubing, and challenge course, there will be new opportunities to really dig deep into some programs and become an “Expert” in aquatics, horseback riding, and shooting. We will be offering special opportunities during our three weeks:

June 19-25: Sea Scout/Aquatic Camp (Full)
June 26-July 2: Climbing Camp/Ranger Award Camp
July 10-16: Swift Classic

During the Aquatic week and the Climbing week, we will have experts supplementing our Swift staff. In addition we will offer many of the standard Swift high adventure activities that you are used to every week.

For 2011, reservations will be taken immediately on a first-come, first-served basis for Crews and Posts regardless of your council. In addition, Crews and Posts will be given priority for group activity sign-up on the basis of when you sign-up. First signed-up, first to choose program slots.

To assure that the facility is not overcrowded, when we reach the capacity of the camp, we will close that week to additional crews, posts, and troops. Sign-up capacity at Swift Base will

be 135 campers per week. Units that procrastinate in signing up for camp greatly limit their choices.

The reservation fee is \$25.00 per camper. The \$25.00 reservation fee is refundable if requested in writing by May 2, 2011. No refunds of reservation fees after May 2.

There is no minimum number of campers necessary to make a unit reservation. We ask you to project as closely as possible your actual attendance. When units over or under estimate attendance is when we have problems.

The summer camp fee for 2011 is \$220.00 after camper savings day and \$210.00 prior to camper savings day. We encourage every crew to use the camper savings plan, which will allow the Venturers and Explorers to save on the total fee if the full fee is paid by May 2, 2011. NYLT ... Its not just for Boy Scouts anymore!

NYLT - Pack and Paddle!

Venturers can now attend the National Youth Leadership Training. It is co-ed.

National Youth Leadership Training is a weeklong training course that provides youth leaders with an opportunity to enhance their leadership skills while living by the Scout Oath and Law, in an exciting outdoor environment. Venturers who earn the NYLT shield are prepared to meet the challenges ahead and are better prepared to work with adult leaders. This is the first NYLT open for Venturers in the Greater St. Louis Area Council. The week of July 24-30, 2011 is the only Venturing NYLT Week available. The Venturing NYLT will be a Pack and Paddle course. The Pack and Paddle is an outpost adventure program that follows the NYLT syllabus. This exciting program is being held at Nims Lake, S bar F Scout Ranch. During Pack and Paddle, Venturers will practice low-impact camping, learn how to use a compass, develop leadership skills, hike,

and canoe. Venturers must be able to pack all equipment in their packs including food, crew gear, shelter, and personal items. Please take into consideration that this is a strenuous course. Venturers must be 14 or older and pass the BSA Swimmer test. To sign up for Pack and Paddle NYLT, complete the NYLT application and check the appropriate area. Space is limited to 24 Venturers.

Area 3 Facebook Groups

We are the largest Area level Venturing Facebook Group in the Nation! We are the first Area level group in the nation to reach 1,100 members in our group. How did we do it? Simply by members inviting their Facebook friends to join the group. The purpose of the Area 3 Venturing Facebook Group is to promote Venturing. A group member does not have to be in Venturing to be part of the group. Because, just maybe, the non-Venturer will see the fun, adventure, leadership, etc. opportunities and decide to be part of Venturing.

Did you know that your council has a Venturing Facebook Group? Many of our councils have developed their own Facebook Groups. Those that did not have one had one established by the Central Region Venturing Communication Committee. They will be serving as the group administrator until a local youth or adult steps forwards to administer the group. The following are the links to each of our council's Venturing Facebook Groups:
