June 16th- 22rd 2013 – Swift Base Sea Scout Week

We're Back! It was quite the success last year and we have been asked to do it again. I am again looking for youth staff to run the sailing program with me during the day. I need ships to register for the week and come on down. This is one time you are allowed to bring your boat (no gas engines).

July 2013 - Crew A Lake Huron Mackinac Race Boat Hom

This is a very unique opportunity for Sea Scouts. We have been offered to return a ship to Detroit from Mackinac City. We have to form a crew and work out a lot of logistics. This will be our TFA3 Seal prep course too. We have a lot of logistics to still work out and that will determine the cost. For more information contact your area boatswain. Let me know if you are interested. This trip should be a lot of Hard Fun!

September 27-29, 2013 Venturing Fall Fun Rally

Location: Greater St. Louis Area Council – Beaumont Scout Camp
